

Module 1: Working in the Queensland public sector

Key take-aways

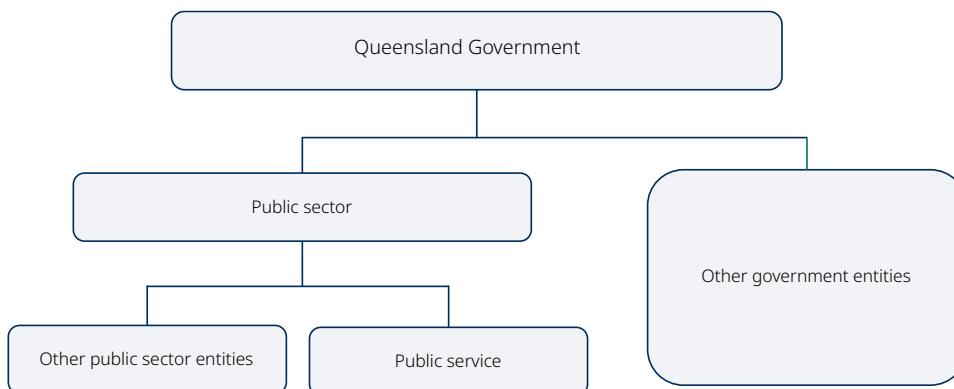

Our work as public servants and the culture of the public sector are closely tied to how the Queensland Government is organised and operates.

The Queensland Government provides direction while operating within the [Westminster system](#).

The public service operates within the [Queensland Government structure](#).

The culture of the public sector plays a significant role in everything we do as public servants. Some key components that shape our culture include:

- [Public sector principles](#)
- [Diversity, equity, respect and inclusion](#)
- [Cultural capability](#)
- [Health, safety and wellbeing](#).
